Re : Confirmation of DIBt process

Dear Sir.

Herein we confirm that the DIBt certification progress of the manufacturer, DAEJIN CO., LTD., is as follows.

The application was already registered on 19th. Sep. 2012 and the VOC testing for certification will be finished by ECO-INSTITUT in the first week of February. If the test result is positive, They are expected to be issued DIBt certificate in April or May 2013.

Also, the company can affix the Franch Certification mark for Environment-Friendly Building Materials on their product by the good test results. (VOC emission test : Class A+, See below)

Thanks for your cooperation.

With Best Regards.

Mr. Phillip (Chang Hoon) Shin
Senior Researcher of KTR Europe GmbH
